ENCOUNTER
2020-2021**

Learning how we can encounter our faith at home, in our community, and in our world through Scripture, Prayer, Action, and Mission.

Each month our youth will receive a Family "Box" with personalized activities by Age Group inside. These are based on an expanded "Fruits of the Spirit" theme.

As part of our MISSION we are asking for a \$20 donation each month for the "Box" or whatever you can give. This will be split 50/50 with one half covering the supply costs and going to the Youth Fund, the other half will go each month to a different local ministry partner in our community. We will also share information about that partner leading up to and during the month. We want to challenge everyone to put their faith in ACTION too and live it out in word and in deed! If desired you can share what you are doing by tagging us @hmccdoc or #HMCCDOC
